

LANDSCAPING
CONTRACTOR ADDITIONAL EXPERIENCE

To become qualified in the work class of Landscaping, the applicant shall provide the following:

1. A letter on the company letterhead with the following information. The letter must be signed and dated by the Owner of the Company or Company Officer:

A statement declaring at least five (5) complete years of experience in the active performance of landscape work (landscape work is considered to include, but not limited to, the acquisition, installation and maintenance of plant materials, but specifically exclude single-family residential landscape or sod work) with its own forces and organization, as opposed to the use of subcontractors. The company shall include up-to-date resumes for its Superintendents; and

A statement declaring that the company will perform all contract required landscaping work (landscape work is considered to include, but not limited to, the acquisition, installation and maintenance of plant materials) with its own forces and organization, except as may be provided in Standard Specification 8-1 as modified by the Contract documents and

On a separate sheet, list a project history of the company's experience as a landscape construction contractor for the five (5) years declared in item 1(a) above including the following information:

- Project name/number and brief description of landscape work performed;
- Beginning and ending date of landscape project;
- Location of project (city, state);
- Monetary amount of landscape project;
- Owner of project/contact person/phone number with area code; and
- If applicable, name of Prime Contractor (Client) that the work was performed for/phone number with area code;

2. Written endorsements from three (3) separate Florida Registered Landscape Architects on company letterhead. Each Florida Registered Landscape Architect shall sign the endorsement, provide the license number, and include the following (copies of any endorsements by Florida Registered Landscape Architects with the required information will suffice):

- Project name and brief description of landscape work performance; and
- Location of project (city, state)

Applicant must combine all requested documentation, with exception of resumes, and create one PDF, TIF or JPG file for the required documentation that must be attached to the Work Classes Tab in the online application for qualification.
